EDUCATION

-
- M.S.** May 2018
 University of Florida, Gainesville, FL
 Department: Clinical and Health Psychology
 Concentration: Child Clinical/Pediatric Psychology
 GPA: 4.0
 Mentor: David Janicke, Ph.D., ABPP
 Master's Thesis: *Impact of Weight Cues on Virtual Human Pediatric Clinical Judgment*
- B.S.** May 2014
 Austin Peay State University, Clarksville, TN
 Major: Psychology
 Minor: Pre-Professional Health
 Honors: Summa cum Laude
 GPA: 4.0

HONORS & AWARDS**Conference Travel Awards**

- | | |
|---|-------------------|
| Society of Pediatric Psychology: \$750 | Spring 2018 |
| University of Florida Department of Clinical & Health Psychology: \$300 | Spring 2017, 2018 |
| University of Florida Graduate Student Council Grant: \$350, \$230 | Spring 2017, 2018 |
| University of Florida UF PHHP Research Day Top 5 Abstract Winner: \$500 | Spring 2017 |
| University of Florida Office of Research Award: \$350 | Spring 2017 |
| American Pain Society: \$750 | Spring 2016 |

Conference Poster Awards

- | | |
|---|-------------------|
| Society of Pediatric Psychology Obesity Special Interest Group Outstanding Poster Award | Spring 2018 |
| Society of Pediatric Psychology Pediatric Research/Innovative Statistical Methodology Special Interest Group Outstanding Poster Award | Spring 2017, 2018 |

Graduate Honors and Awards

- | | |
|---|-----------|
| Jenny Sivinski Memorial Award for Excellence in Community Service (Nominee) | Fall 2017 |
| Center for Pediatric Psychology and Family Studies Mini-Grant: \$500 | Fall 2016 |

Undergraduate Honors and Awards

- | | |
|--|-------------|
| Scholarship Track & Field (Pole Vault) Athlete | 2010 - 2014 |
| College Sports Information Directors of America (CoSIDA) | 2012 - 2014 |
| Academic All-District | |
| Outstanding May Graduate in Psychology | 2014 |
| Perkins Freeman & Governors Club Academic | 2013 - 2014 |

Achievement Award	
Scholar Athlete	2012 - 2014
Pi Kappa Phi Honor Society	2011 - 2014
Athletic Director's Honor Roll	2010 - 2014
Dean's List	2010 - 2014
Commissioner's Honor Roll	2011 - 2012
Academic Medal of Honor	2010 - 2012

SUPERVISED CLINICAL EXPERIENCE

Practicum in General Adult Mental Health

April 2018 - June 2018

Psychology Clinic, UF Health, Gainesville, FL

Supervisor: Patricia Durning, Ph.D.

Conducted psychotherapy intake interviews with adult patients with various presenting mental health concerns (e.g., anxiety, depression, adjustment to medical conditions). Administered, scored, and interpreted results of psychological questionnaires and prepared comprehensive psychological reports with interpretive feedback and treatment recommendations.

Practicum in Pediatric Neuropsychology Assessment

January 2018 - March 2018

Psychology Clinic, UF Health, Gainesville, FL

Conducted comprehensive neuropsychological assessments and clinical interviews for youth with presenting problems, such as neurocognitive disorders, intellectual disability, traumatic brain injury, seizures/epilepsy, and communication/language disorders. Administered, scored, and interpreted neuropsychological tests of intellectual functioning, academic achievement, memory, attention, executive functioning, motor skills, language development, and emotional and behavioral functioning. Prepared comprehensive neuropsychological reports to provide diagnostic summary, interpretive feedback, and treatment recommendations.

Supervisor: Shelley Heaton, Ph.D.

Practicum in Clinical Child Assessment

October 2017 - December 2017

Psychology Clinic, UF Health, Gainesville, FL

Conducted comprehensive psychological assessments and clinical interviews for youth (spanning from early childhood to adolescence) presenting with various problems (e.g., neurodevelopmental disorders, specific learning disorders, mood disorders, and behavior disorders). Administered, scored, and interpreted psychological tests of intellectual functioning, academic achievement, language, attention, executive functioning, motor skills, and emotional and behavioral functioning. Prepared comprehensive psychological reports to provide diagnostic summary, interpretive feedback, and treatment recommendations.

Supervisor: Brenda Wiens, Ph.D.

Practicum in Adult Medical/Health Psychology

July 2017 - September 2017

Psychology Clinic, UF Health, Gainesville, FL

Conducted structured evaluations to assess the psychological functioning of adult patients considering organ transplant (e.g., heart, lung, bone marrow, and kidney), spinal cord stimulator surgery, bariatric surgery, and in-vitro fertilization. Completed inpatient psychology consultations with neurotrauma unit patients. Conducted medical record reviews, interpreted results from standardized questionnaires, and prepared comprehensive psychological reports with interpretive feedback and recommendations for interdisciplinary teams.

Supervisors: Glenn Ashkanazi, Ph.D., Lisa Clifford, Ph.D., Lori Waxenberg, Ph.D., Robert Guenther, Ph.D., & Patricia Durning, Ph.D.

RESEARCH EXPERIENCE

Graduate Student, The Longitudinal Impacts of Behavioral, Psychosocial, and Parent Factors on Youth Eating Attitudes and Behaviors Summer 2016 - Present

Pediatric Psychology Lab, University of Florida, Gainesville, FL

Served as lead graduate student managing this study. Oversaw participant recruitment in pediatric primary care clinic, supervised undergraduate research assistants, managed data, coordinated IRB-related tasks, conceptualized research questions, and participated in study presentations.

Supervisor: David Janicke, Ph.D., ABPP

Graduate Student, Examining Behavioral Family Intervention for Sleep Disorders in Overweight or Obese Children Summer 2016 - Fall 2017

Pediatric Psychology Lab, University of Florida, Gainesville, FL

Conducted pre-, post-, and follow-up assessments for cognitive-behavioral therapy treatment program for children with behavioral sleep disorders.

Supervisor: David Janicke, Ph.D., ABPP

Research Assistant, Central and Peripheral Measures of Pain: Recovery and Resistance Summer 2015 - Summer 2016

Center for Pain and the Brain, Boston Children's Hospital, Waltham, MA

MRI study investigating brain, nerve, and psychological measures of youth ankle sprain treatment responders and non-responders. Assisted in creation of online data collection surveys, recruitment, and assessments.

Supervisors: Laura Simons, Ph.D. & David Borsook, M.D., Ph.D.

Research Assistant, GET Living: Graded Exposure Therapy Treatment for children and adolescents with chronic pain Summer 2014 - Summer 2016

Biobehavioral Pediatric Pain Lab, Boston Children's Hospital, Boston, MA

Primary coordinator of this treatment intervention study co-led by a psychologist and physical therapist involving progressive engagement in previously avoided activities of daily living in pediatric chronic pain patients with high fear of pain. Managed recruitment, data collection, and IRB-related tasks, conducted pre-and post-assessments, organized and analyzed treatment outcomes, supervised undergraduate and graduate research assistants, conceptualized research questions, and participated in study presentations.

Supervisor: Laura Simons, Ph.D.

Research Assistant, Validation of the Parent Risk and Impact Screening Measure Summer 2014 - Summer 2016

Biobehavioral Pediatric Pain Lab, Boston Children's Hospital, Boston, MA

Primary coordinator of this study. Assisted with creation of protocol, online data collections surveys, and analyses, managed recruitment, data collection, and IRB-related tasks.

Supervisor: Laura Simons, Ph.D.

Research Assistant, Learning and Memory in Pediatric Chronic Pain Summer 2014 - Summer 2016

Biobehavioral Pediatric Pain Lab, Boston Children's Hospital, Boston, MA

Primary coordinator of this MRI brain study examining fear conditioning and extinction in pediatric pain. Assisted with creation of protocol, constructed data collection methods, managed recruitment, data collection, and IRB-related tasks, and assisted with pre-processing and preliminary analysis of MRI scans.

Supervisor: Laura Simons, Ph.D.
