EDUCATION AND LICENSURE

Licensed Psychologist, State of Florida (# PY 7067)	2005-present
Doctor of Philosophy, Psychology (clinical child track; APA approved) Southern Illinois University at Carbondale, Dept. of Psychology, Carbondale, IL	2003
Pre-doctoral Internship, Clinical and Health Psychology (APA approved) University of Florida, Dept. of Clinical & Health Psychology, Gainesville, FL	2000
Master of Arts, Psychology (clinical child track; APA approved) Southern Illinois University at Carbondale, Dept. of Psychology, Carbondale, IL	1997
Bachelor of Arts, Psychology The University of Chicago, Chicago, IL	1995

HONORS AND AWARDS

University of Florida Superior Accomplishment Award (Academic Personnel)	2016
Doctoral Fellowship, SIU-Carbondale	1998-1999
Morris Doctoral Fellow, SIU-Carbondale	1995-1998
Phi Beta Kappa	1995
Student Marshal (academic honor), University of Chicago	1995

CURRENT POSITION

Clinical Associate Professor (7/17-present); Clinical Assistant Professor (2/11-6/17); Research Assistant Professor (12/03-2/11), Department of Clinical and Health Psychology
University of Florida, Gainesville, FL 12/03-present

Primary clinical responsibilities include supervising psychology interns and graduate practicum students conducting assessments and therapy in the UF Psychology Clinic, and supervising graduate practicum students rotating on their third year rural/primary care practicum in school-linked mental health services in Columbia County. Duties also include providing services for Project CATCh in conjunction with the Columbia County, FL school district, which focuses on prevention and clinical service delivery in a school-linked model of care. Duties also include teaching, serving on graduate student committees, and involvement in research. Member of the

graduate faculty.

PAST POSITIONS

Research and Education Specialist, Department of Clinical and Health Psychology
University of Florida, Gainesville, FL 10/02-12/03

Primary duties included working in the National Rural Behavioral Health Center to expand a curriculum designed to prepare communities for mental health considerations in times of disaster and terrorism (*Triumph Over Tragedy, Second Edition: A Community Response Plan for Managing Trauma in Times of Disaster and Terrorism*), as well as preparing educational presentations using this curriculum.

Summer Staff Member, Camp Boggy Creek
Eustis, FL 5/02-8/02

Summer staff member at a camp that serves children with chronic illnesses.

Pre-Doctoral Clinical and Research Associate, Department of Clinical and Health Psychology
University of Florida, Gainesville, FL 10/00-5/02

(1) Provided mental health services for the Family Support Service (10/00-1/02), a rural outreach program serving children referred for therapy by school guidance counselors in Columbia County, FL. (2) Provided mental health services one day a week for children and adults at Eastside Community Practice (10/01-5/02), a University of Florida primary care clinic that serves a low-income area in Gainesville.

GRANT SUPPORT

Current funded projects:

Co-Investigator, subcontract on *9/13 ABCD (Adolescent Brain Cognitive Development)-USA Consortium: Research project*. National Institutes of Health (subcontract from University of Michigan), 09/15-08/20, Linda Cottler (PI) & Sara Nixon (PI).

Completed funded projects:

Principal Investigator, subcontract on *Columbia County - Project Counseling and Resources for Elementary Schools (CARES)*. Department of Education/Office of Elementary and Secondary Education & Office of Safe and Healthy Students (lead agency, Columbia County School District), 09/15-04/18.

Co-Principal Investigator, *Social Isolation Among Latinos: An Intervention Development*. University of Florida Opportunity Fund, 05/12-08/14, Jeanne-Marie Stacciarini (PI), Linda Cottler (Co-PI), & Barbara Lutz (Co-PI).

Principal Investigator, subcontract on *Project Counseling and Resources for Elementary Schools (CARES)*. Department of Education/Safe Schools Healthy Students (lead agency, Columbia County School District), 8/08-7/12.

Principal Investigator, subcontract on *Project CATCh Mentoring Program*. Department of Education/Safe

Schools Healthy Students (lead agency, Columbia County School District), 4/08-8/10.

Investigator, *Community-Based Participatory Research: Depressed Latino Women*. University of Florida College of Nursing Intramural Grant, 01/09-01/11, Jeanne-Marie Stacciarini (PI).

Principal Investigator, subcontract on *Project CLEA²R: Columbia Linking Efforts for Alcohol Awareness and Responsibility*. Department of Education (lead agency, Columbia County School District), 8/05-7/09.

Co-Principal Investigator, subcontract on *Project CARES: Counseling and Resources for Elementary Schools*. Department of Education/Safe Schools Healthy Students (lead agency, Columbia County School District), 5/03-4/07, Heidi Liss (PI).

Co-Principal Investigator, subcontract on *Project CATCh: Columbia County Acting Together for Children's Health*. Department of Education/Safe Schools Healthy Students (lead agency, Columbia County School District), 10/02-9/06, Heidi Liss (PI).

Co-Investigator, *Bioterrorism Preparedness in Rural and Urban Communities*. Agency for Healthcare Research and Quality, 9/03-9/05, Aram Dobalian (PI) & Jennie Tsao (Co-PI).

Principal Investigator, *Development of a Distance Learning Curriculum for Extension Professionals: A Community Response to Managing Trauma in Times of Disaster and Terrorism*. United States Department of Agriculture, 9/03-3/05, Garret Evans (Co-PI).

Co-Investigator, *Impact of Bioterrorism on Rural Mental Health Needs*. Health Resources and Services Administration, 9/03-9/04, Jennie Tsao (PI) & Aram Dobalian (Co-PI).

Undergraduate Committee Activities

Role	Student	Research Topic	Department	Defense Date
Member, Undergraduate Honors Senior Thesis Committees	Elizabeth Wack	The Prevention Management Team: A Model of Care Coordination and Service Delivery for Children	Psychology	2005
Chair, Undergraduate Senior Thesis Committees	Bertina Valbrun	Relationship Between Peer-Victimization and Attitudes Towards School: The Role of Ethnicity	Psychology	2011
	Katelyn Duffy	Factors Altering the Effect of Parental Control on Adolescent Alcohol Use	Psychology	2010
Member, Undergraduate Senior Thesis Committees	Katrina Colbourne	Prosocial Support as a Moderator for the Association Between Peer Victimization and Psychosocial Problems in Youth	Psychology	2010
	Shana Schuman	Parent Weight-Related Attitudes and Behaviors: Influence on Child and Adolescent Body Dissatisfaction	Psychology	2008
	Simone Sherman	Predictors of Adherence to Dietary Self-monitoring Protocol in Pediatric Weight Management Programs	Psychology	2007
	Brittany Rhodes	Correlates of Depression in Overweight Youth	Psychology	2006

Other Mentoring:

Undergraduate Research Assistants

- Past: Heather Meikle, Ryan Johnston, Elizabeth Wack, Jennifer Edwards, Nusrat Mansoor, Lindsay Shaffer, Katelyn Duffy, Bertina Valbrun (McNair Scholar), Caroline Noone, Evelyn Vo, Jessica Sweeb, Laura Navia

TEACHING AND TRAINING

Graduate-Level Teaching:

Graduate Clinical Supervision, University of Florida:

- Clinical practicum rotation in child assessment for pre-doctoral interns and second year graduate students (1/10-current)
 - Child assessment cases with a focus on ADHD, ASD, and other neurodevelopmental disorders

- Clinical practicum rotation in rural/primary care for third year graduate students (1/05-current) and pre-doctoral interns (1/05-6/07; 4/18-current)
 - General child clinical referrals from rural school district (teaching evaluations available)
- Clinical practicum in child and family therapy for pre-doctoral interns and graduate students (10/10-current)
- Clinical practicum for pre-doctoral interns (7/17-current) and advanced graduate students (8/14-current) in consultation services for the UF Pediatric Infectious Diseases outpatient clinic
- Post-doctoral associates in clinical child and pediatric psychology (1/05-current)

Advanced Child Psychotherapy (Summer 2015), University of Florida

- This course is for advanced graduate students (third year and beyond) in the Clinical and Health Psychology PhD program and involves student presentation of active therapy cases, class and faculty discussion of case presentations, and class and faculty discussion of topics related to child psychotherapy. Team taught by Dr. Wiens, Dr. David Fedele, Dr. David Janicke, Dr. Lisa Clifford.

Lifespan Psychopathology (Fall 2011-present), University of Florida

- This course is for first year graduate students in the Clinical and Health Psychology PhD program and covers child (taught by Dr. Wiens) and adult (taught by Dr. Duane Dede) psychopathology using a lifespan approach (individual teaching evaluations and peer evaluations of teaching available).

Interdisciplinary Family Health Course (2010-2011; 2011-2012; 2012-2013; 2013-2014; 2014-2015), University of Florida

- This course includes faculty and students from the Colleges of Public Health and Health Professions, Medicine, Pharmacy, Dentistry, and Nursing. The course is structured around an interdisciplinary learning practicum, through which first-year health professions students work with volunteer families in the community to learn to conceptualize family health beliefs and behavior from a biopsychosocial framework. Course faculty facilitate six group meetings with their group of assigned students over the course of the year.

Graduate Guest Lectures, University of Florida

- Guest lecturer for graduate Child and Family Therapy Course (Fall 2007, 2008, 2010, 2012, 2014, 2016), Department of Clinical and Health Psychology. Taught lectures on school consultation and mental health services; content included school mental health interventions, school consultation, ethical issues in schools, school interventions for externalizing and internalizing disorders, and understanding the special education process). Additionally conducted lectures on treatment for children and families impacted by disasters (2008, 2010), and treatment of abuse in children (2008).

On-line Teaching, University of Florida

- Constructed two lectures for the graduate course Introduction to Public Health and the Health Professions (College of Public Health and Health Professions). This course will be offered on-line yearly starting in the fall of 2009 for all incoming graduate students in a health professions field. Lecture titles: (1) Integrating Public Health Administration and Policy with Behavioral Health: Responding to the Mental Health Impacts of Disasters, Terrorism, and Public Health Emergencies; (2) Integrating Public Health Administration and Policy with Behavioral Health: Youth Violence Prevention.

Undergraduate-Level Teaching:

Undergraduate Guest Lectures, University of Florida

- Lecture on “The Psychological Impact of Disasters and Terrorism” for undergraduate International Humanitarian Assistance course (4/11), Food and Resource Economics Department.
- Lecture on “Rural Psychology” for undergraduate Introduction to Clinical & Health Psychology course (4/06, 4/07, 3/08, 11/10), Department of Clinical and Health Psychology.
- Lecture on “The Psychological Impact of Disasters and Terrorism” for undergraduate Contemporary Family Problems and Interventions course (11/06), Department of Family, Youth and Community Sciences.
- Discussion group on “Mental Health Issues for the Medical Doctor” for undergraduate Current Issues in Medicine seminar (2/13), Rural and Urban Underserved Medicine program, College of Medicine.

Teaching Assistantships, Department of Psychology, Southern Illinois University at Carbondale

- Teaching Assistant - Introduction to Psychology (8/95-8/96): Taught two lab sections each semester.
- Teaching Assistant - Child Psychology (8/96-5/97): Kept records and prepared tests. Gave a lecture on child abuse and domestic violence.
- Graduate Student Lecturer - Psychopathology (3/99-4/99): Developed and presented a segment of six lectures for the undergraduate psychopathology course. Teaching evaluations available upon request.

Other Teaching/Training:

Southern Rural Development Center

- Conducted webinar in February 2018, *Post-disaster stress in individuals and communities*

University of Louisiana Extension Service

- Conducted training in May 2012 (Baton Rouge, LA) for members of the Louisiana Voluntary Organizations Active in Disasters (VOAD), focusing on mental health impacts of disasters and how to help communities and individuals. The training was hosted by the University of Louisiana Extension Service and Baton Rouge Red Cross.

University of Mississippi Extension Service

- Conducted training in May 2011 (Starkville, MS) for Extension agents and faculty responding to the tornadoes and flooding in the Southeastern U.S., focusing on mental health impacts of disasters and how to help communities and individuals. The training was hosted by the Southern Rural Development Center.
- Conducted two trainings in September 2005 (Starkville and Hattiesburg, MS) for Extension agents and faculty on the mental health impacts of disasters following Hurricane Katrina. The trainings were hosted by the Southern Rural Development Center.

Faculty of Medicine, Yeditepe University, Istanbul, Turkey

- Presented four lectures on doctor/patient communication skills (12/12/05-12/15/05) at Yeditepe University for medical faculty as part of a “Teaching Teachers Course” organized between Yeditepe and the University of Florida College of Public Health and Health Professions.

University of Florida Area Health Education Centers

- *Dealing with disasters: Mental health issues in the wake of disaster events.* Invited training session given at the University of Florida Area Health Education Centers Planning Meeting, February 2005, Panama City, FL.

University of Florida, Department of Clinical and Health Psychology, Departmental Colloquium

- February 5, 2016 – Implementation of trauma-focused CBT with children and adolescents: Case examples
- August 14, 2015 – Reporting child and elder abuse in Florida, Part 2: Case examples to illustrate ethical challenges (in conjunction with Lori Waxenberg, Ph.D.)
- July 10, 2015 – Reporting child and elder abuse in Florida: Florida statutes and reporting procedures (in conjunction with Lori Waxenberg, Ph.D.)
- October 10, 2014 – Therapy course and barriers in a challenging case of ASD (in conjunction with Nadia Bhuiyan, M.S.)
- May 24, 2013 – Child abuse: Ethical and professional responsibilities, Florida statutes, and reporting procedures
- August 5, 2011 – Fact finding, differential diagnosis, and the role of school consultation in a challenging child treatment case revisited: Reflecting back after completion of treatment
- September 18, 2009 – Bullying in schools: Prevalence, impacts, and prevention/intervention approaches
- April 17, 2009 - Fact finding, differential diagnosis, and the role of school consultation in a challenging child treatment case (in conjunction with Alison Zisser, M.S.)
- April 18, 2008 – Child abuse and exposure to domestic violence: Clinical presentations, reporting issues, and treatment considerations for children
- March 30, 2007 – Clinical challenges and ethical dilemmas in a rural school-linked mental health practice: Experiences from Columbia County
- July 21, 2006 – Random drug testing in schools as an approach to decrease adolescent substance use: The debate and the data
- November 4, 2005 – Responding to mental health needs after Hurricane Katrina (in conjunction with Brian Shenal, Ph.D., and Wayne Griffin, Ph.D.)
- June 24, 2005 – Implementation of a community model to improve mental health services for children in a rural area
