

ANDREW G. GUZICK, M.S.

585-727-6939 • guzick@phhp.ufl.edu

EDUCATION

- Anticipated 2020 **Ph.D., Clinical Psychology**
Department of Clinical and Health Psychology
University of Florida, Gainesville, FL
Dissertation: Expectations of distress during exposure and response prevention for childhood obsessive-compulsive disorder (Defended May 2018)
- 2016 **M.S., Clinical Psychology**
Department of Clinical and Health Psychology
University of Florida, Gainesville, FL
Thesis: The link between ADHD-like inattention and obsessions and compulsions during the treatment of youth with OCD
- 2013 **B.A., Psychology**
Vassar College, Poughkeepsie, NY
-

CLINICAL PRACTICA EXPERIENCE

- 2/2019-5/2019 **Depression Recovery Partial Hospitalization Program**
Rogers Memorial Hospital, Tampa, FL
Supervisors: Joshua Nadeau, Ph.D.; Sim Yin Tan, Ph.D.
Lead and co-lead CBT/DBT-based groups and provided individual support for children and adolescents with severe mood disorders. Treatment approaches included behavioral activation, exposure therapy, assertiveness training, cognitive restructuring, and mindfulness activities.
- 10/2018-1/2018 **Anxiety and Depression Recovery in Autism Spectrum Disorder Program**
Rogers Memorial Hospital, Tampa, FL
Supervisors: Joshua Nadeau, Ph.D.; Sim Yin Tan, Ph.D.
Lead and co-lead CBT groups and provided individual support for children and adolescents with autism spectrum disorder and co-occurring mood and anxiety disorders in a partial hospitalization program. Treatment primarily emphasized exposure therapy and behavior activation, though other approaches included clinic-based behavior management, social skills training, parent behavior training, emotion identification and regulation, and cognitive coping.
- 1/2017-11/2018 **Parent-Child Interaction Therapy Service**
Division of Medical Psychology, Department of Psychiatry, University of Florida, Gainesville, FL
Supervisors: Brian Olsen, Ph.D.; Melanie Nelson, Ph.D.
Provided parent-child interaction therapy (PCIT) to families with young children with disruptive behavior disorders. Earned certification in this evidence-based treatment.

- 8/2015-9/2018 **Psychological Intervention Service**
Clinical and Health Psychology Clinic, Department of Clinical and Health Psychology, University of Florida, Gainesville, FL
Supervisors: David Janicke, Ph.D., ABPP; Brenda Wiens, Ph.D.; Patricia Durning, Ph.D.; Jessica Payne-Murphy, Ph.D.; William Perlstein, Ph.D.; Shelley Heaton, Ph.D.
Conducted psychotherapy with children and adults with depression, anxiety, adjustment issues, chronic pain, insomnia, relationship problems, disruptive behavior, and social skills deficits. Theoretical orientations that guided treatment were cognitive-behavioral, behavioral, and family systems.
- 6/2017; 6/2018;
7/2018 **Fear Facers Summer Camp**
Division of Medical Psychology, Department of Psychiatry, University of Florida, Gainesville, FL
Supervisor: Joseph P.H. McNamara, Ph.D.
Provided individual therapy and treatment planning during three sessions (one week each) of a cognitive-behavioral summer camp for youth with anxiety and obsessive-compulsive disorders.
- 5/2018-8/2018 **Pediatric Diabetes Clinic**
Departments of Clinical and Health Psychology & Pediatrics, University of Florida, Gainesville, FL
Supervisors: David Janicke, Ph.D., ABPP; Sarah Westen, Ph.D.
Provided psychological consultations in a pediatric diabetes clinic, including brief adherence and family communication interventions, assessment of psychological and family systems functioning, and referral to more intensive psychological services.
- 5/2018-8/2018 **Pediatric Hematology/Oncology Program**
Departments of Clinical and Health Psychology & Pediatrics, University of Florida, Gainesville, FL
Supervisors: Erika Cascio, Ph.D.
Provided neuropsychological assessments and inpatient consultations for children with cancer.
- 8/2014-12/2017 **Obsessive-Compulsive Disorder Program**
Division of Medical Psychology, Department of Psychiatry, University of Florida, Gainesville, FL
Supervisors: Gary R. Geffken, Ph.D.; Joseph P.H. McNamara, Ph.D.; Brian Olsen, Ph.D.
Conducted cognitive-behavioral therapy with exposure and response prevention for children and adults with OCD and related disorders in both daily and weekly formats. Conducted exposure-based cognitive behavioral therapy for panic disorder, specific phobias, and social anxiety, as well as group-based exposure therapy for food anxiety in young women with eating disorders.
- 8/2017-12/2017 **Behavioral Pediatrics Clinic**
Clinical and Health Psychology Clinic, Department of Clinical and Health Psychology, University of Florida
Supervisor: David Janicke, Ph.D., ABPP

Conducted therapy intakes and brief targeted behavioral therapy to address pediatric feeding disorders, as well as pain, anxiety, and disruptive behavior disorders.

5/2017-8/2017

Pediatric Sleep Disorders Clinic

Departments of Clinical and Health Psychology & Pediatrics, University of Florida, Gainesville, FL

Supervisors: David Janicke, Ph.D., ABPP; Abby Wagner, M.D.

Provided psychological consultation in an interdisciplinary pediatric sleep disorders clinic, including brief behavioral sleep interventions, CPAP adherence strategies, and assessment and referral to more intensive psychological services.

1/2017-5/2017

School-linked Mental Health Services for Children

Department of Clinical and Health Psychology, University of Florida, through the Columbia County School District, Lake City, FL

Supervisor: Brenda Wiens, Ph.D.

Provided school-linked psychotherapy for students in rural Lake City, FL. Treatment modalities included cognitive-behavioral therapy, parent management training, interpersonal psychotherapy, and brief dialectical behavior therapy-informed skills training. Consulted with guidance counselors and teachers to address patients' school-specific emotional and behavioral concerns.

8/2016-12/2016

Fear and Anxiety Disorders Clinic

Department of Clinical and Health Psychology, University of Florida, Gainesville, FL

Supervisors: Cyd Strauss, Ph.D.; Evelyn Sullivan, Ph.D.; Peter J. Lang, Ph.D.

Conducted structured diagnostic assessments using the Anxiety Disorders Interview Schedule for DSM-IV to assess emotional disorders, the Structured Clinical Interview for DSM-IV Axis II Disorders to assess personality disorders, and the Clinician-Administered Post-Traumatic Stress Scale to assess post-traumatic stress disorder.

4/2016-7/2016

Medical and Health Psychology Evaluation Service

Clinical and Health Psychology Clinic, Department of Clinical and Health Psychology, University of Florida, Gainesville, FL

Supervisors: Robert Guenther, Ph.D., ABPP; Lori Waxenberg, Ph.D., ABPP;

Patricia Durning, Ph.D.; Glenn Ashkanazi, Ph.D.

Conducted psychological assessments of patients with chronic pain conditions, and provided psychological consultations for patients electing for bone marrow transplants and in vitro fertilization procedures, as well as hospital inpatients with comorbid psychiatric concerns.

1/2016-4/2016

Child Psychological Assessment Service

Psychology Clinic, Department of Clinical and Health Psychology, University of Florida, Gainesville, FL

Supervisors: Cara M. Lusby, Ph.D.; Brenda Wiens, Ph.D.

Administered, scored, and interpreted psychological assessments of children's intellectual, academic, behavioral, and emotional functioning, with diagnoses including specific learning disorders, language disorders, oppositional defiant

disorder, attention-deficit/hyperactivity disorders, anxiety and mood disorders, and intellectual disabilities.

- 9/2015-12/2015 **Neuropsychological Assessment Service**
Clinical and Health Psychology Clinic, Department of Clinical and Health Psychology, University of Florida, Gainesville, FL
Supervisor: Russell M. Bauer, Ph.D.
Conducted neuropsychological assessments with patients with vascular dementia, Alzheimer's disease, intellectual disability, bipolar disorder, and epilepsy.
- 7/2015-9/2015 **Mental Health Assessment Service**
Clinical and Health Psychology Clinic, Department of Clinical and Health Psychology, University of Florida, Gainesville, FL
Supervisor: William Perlstein, Ph.D.
Conducted diagnostic intake interviews for patients initiating therapy at the UF Clinical and Health Psychology Clinic.
-

RESEARCH EXPERIENCE

- 6/2012-6/2019 **Florida Exposure and Anxiety Research Lab**
Department of Psychiatry, University of Florida, Gainesville, FL
Faculty mentors: Gary R. Geffken, Ph.D., and Joseph P.H. McNamara, Ph.D.
Coordinated and designed our pediatric and adult OCD treatment outcome studies, administering study materials to participants, recruiting and consenting participants, managing our databases, analyzing the data, authoring manuscripts, mentoring and coordinating the involvement of our undergraduate students. Studies included: OCD-Treatment Response Analysis of Change, Expectancy and Disability in Treatment Outcome Research for OCD, CBT for Anxiety Review-Toons (CAR-Toons), Exposure Therapy Dissemination for Youth with Anxiety Disorders, and Type 1 Diabetes Child Health Outcomes by Parenting Styles.
- 10/2013-8/2014 **Pediatric Psychology Lab**
Department of Clinical & Health Psychology, University of Florida, Gainesville, FL
Faculty mentors: David M. Janicke, Ph.D., and Lisa Clifford, Ph.D.
Reviewed literature for grant and publication preparation, managed databases, reviewed manuscripts, and assisted in editing and preparing institutional review forms and grant proposals. Studies included: The Extension Family Lifestyle Intervention Project (E-FLIP for Kids), Qualitative Study of Mothers with Gestational Diabetes
- 1/2013-5/2013 **Undergraduate Senior Research Project**
Department of Psychology, Vassar College, Poughkeepsie, NY
Faculty mentor: Debra Zeifman, Ph.D.
Designed, collected and analyzed data, and authored a study investigating the impact of on-off relationships on later marital satisfaction.

1/2012-5/2013

Emotions and Psychophysiology Lab

Department of Psychology, Vassar College, Poughkeepsie, NY

Faculty mentor: Michelle Tugade, Ph.D.

Assisted in the design and implementation of a study investigating mindfulness as a trait construct and an induced state on resiliency.

PUBLICATIONS AND PRESENTATIONS

TEACHING AND MENTORSHIP EXPERIENCE

- 5/2015-8/2015;
5/2016-8/2016;
1/2018-present **Course coordinator, “Introduction to Medical Bioethics”**
Coordinated graduate level bioethics course. Duties include grading quizzes, discussion posts, and essays, and communicating with students about course issues. 4.7/5 overall instructor rating from most recent semester based on student feedback.
- 8/2014-6/2018 **Lab manager, Florida Exposure and Anxiety Research Lab, University of Florida, Gainesville, FL**
Lead weekly lab meetings that focus on current research, being an effective exposure therapy aide, and professional development; mentored four honors thesis undergraduate students, two of whom submitted award-winning posters at an international conference, and one student in the design and write-up of a peer-reviewed published study.
- 8/2014-5/2018 **Course manager, “MDU 4004: Physician Shadowing”**
Coordinate online course that educate up to 80 pre-medical undergraduates on various medical professions. 4.8/5 overall instructor rating from most recent semester based on student feedback.
